Dear Uncle Pete,

- 1 Thank you for the birthday wishes and the gift card which you sent me. It was such a useful present! It's great because I bought something I really wanted – a fitness wristband! I can use it to track how many steps I walk every day.
- 2 I've already tried it and it works perfectly. It's one of the nicest ones you can buy. It's not as high tech as a smartwatch, but it's better for tracking activities. It's good enough to motivate me to walk more!
- 3 I bought it online (with dad's help!) because it was cheaper than at the shopping mall. It was a bargain because of the discount on this model. Thanks again – this is a really great present! I will use it regularly.

Love,
Daniella
