

UNIT 4. *What have you got?* Lesson 7. str. 54. **Temat: Around the world Culture: robots. Lekcja kulturowa na temat robotów.**

Ćwiczenie 1. Przeczytaj poniższy tekst na temat robotów. Zapisz nowe słówka w zeszyte i postaraj się zapamiętać. Które roboty opisują zdania 1-3? Zaznacz odpowiedzi w zeszyte.

Factory robots

There are more than 2,000,000 robots in factories around the world. These robots have got arms and hands. They make cars, computers and other things.

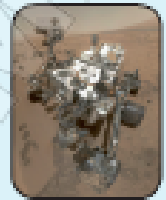

Medical robots

Hospitals and doctors have got robots too. Some robots do complicated medical operations. Some robots give you medicine.

Space robots

Space robots have got cameras. They send pictures from the planets. This is the Mars robot *Curiosity* – and the photo is a selfie!

And in the future ...

It's six o'clock in the morning. You are in your bed. Listen! It's a robot at the door. It's got your breakfast, and your robot car is in the street. Soon, you're at school. Perhaps the teacher is a robot too?
