Funny things about food

1 **Betty:** Would you like a piece of cake, grandma?
Grandma: No, thank you. But can I have a cup of tea, please?
Betty: Of course. Here you are.
Grandma: Thank you, dear. It is tasty. Look at the tea leaves in the cup, Betty.
Betty: Is it a moon?
Grandma: I think so. A moon is for good luck. A duck is for money and a fish is for happiness.

2 **Matt:** I'm hungry. Can I have a cheese sandwich, dad?
Dad: Yes, you can. We've got some Swiss cheese with big holes in it.
Matt: My favourite.
Dad: Cut a piece of cheese and make a wish, Matt.
Matt: OK.
Dad: Now count the holes.
Matt: There are three holes.
Dad: You've got three weeks for your wish to come true!

3 **Mum:** Would you like something to eat, John?
John: Yes, please. Can I have a pear?
Mum: Sorry, you can't. There aren't any pears. How about a banana?
John: Yes, please. But ask a question and cut a slice.
Mum: OK. The question is: 'Is it my birthday tomorrow?' Now I cut and ...
John: ... and I can see the letter Y. That's for 'yes'! Oh no! It's your birthday tomorrow mum and I haven't got a present for you!
