I didn't<sup>1</sup> \_\_\_\_\_ to enjoy watching films, but the film that I saw last night was really funny. It was about a young girl<sup>2</sup> \_\_\_\_\_ father was a famous make-up artist. One day, her father disappears and the girl tries to find him. The story takes place in the 1970s and it's based on a true story. The costumes were<sup>3</sup> \_\_\_\_\_ cool and there were also some really good special effects. In my opinion, it's one of the best films to come out this year.
